

WEDDINGS AT WILTON'S MUSIC HALL

“The most important surviving early music hall to be seen anywhere...” The Theatres Trust Built by John Wilton, the ambition was to provide West End glamour, comfort and first-rate entertainment for East End working people.

Today we are a unique, award-winning, Grade II* listed building in the heart of the City of London.

As a public arts and heritage venue, with two busy bars, Wilton's is truly a music hall for the modern day where we present a year round programme of heritage, culture and community work.

Hire of Wilton's for a wedding includes the whole building encompassing the bars, the Victorian staircase and the Hall with its famous barley-twist columns.

Perfect for your ceremony, wedding breakfast and with plenty of space for dancing. This means closing it to the public and is therefore a very exclusive opportunity, with only a select number of dates available per year. All revenue secured by weddings booked here helps ensure the future of this extraordinary building.

And we don't charge corkage!

“One of the most beautiful of theatres – a place that casts a glow around anything that's put on there.”

Can we have items delivered and stored at Wilton's?

Wilton's is a public building and a functioning music hall. We have a busy events programme that works around our private hires and unfortunately, we do not have space to keep deliveries before or after a hire date. All deliveries and collections must arrive on the day of the event and be returned the same day.

Is there a cloakroom at Wilton's?

We do not provide a staffed cloakroom. However, you are welcome to set one up; we can provide coat rails and hangers. All items left would be entirely at the owners risk.

Are there dressing room facilities for the couple?

If you would like to get dressed at Wilton's we have a small number of dressing rooms which couples can use. These spaces are back of house and have a slightly more modern feel than the rest of the building, with lots of natural light and hanging space.

Is the building wheelchair accessible?

The whole ground floor and auditorium is wheelchair accessible and there is an accessible toilet on the ground floor next to the ladies. Access to the 1st and 2nd floors is restricted and should be discussed in advance.

What does it cost to hire Wilton's?

Hire prices range from £9,700 to £10,700 depending on the date you choose. The fee includes the following: exclusive hire of the whole building (not including offices and studio) with our in-house PA system and standard lighting set up. You will have access from 10.00. We stop serving drinks and playing music at 23.00. The building is to be clear and closed by 00:00 (midnight).

A damages deposit of £1,000 is required in addition to the hire fee. The deposit will be returned after appropriate deductions within 21 days of the confirmed hire date.

How do I book?

To book your wedding at Wilton's email weddings@wiltons.org.uk with your preferred dates.

Bookings will be made on a first come first served basis and held for four weeks.

A non-refundable booking fee of £50 is charged to hold a date which is refundable when the booking is confirmed. Your date will only be secured when your contract is signed and we receive your full deposit of £1,000.

"I can't amply express our delight at Wilton's. We hoped it would be wonderful - but it was better than that. So versatile, so exciting, so special."

**CATHERINE & RICHARD,
BRIDE & GROOM**

"Our venue was Wilton's Music Hall. It was Wilton's or nowhere! It's a completely magical place, otherworldly and a bit like a scene in Alice in Wonderland in that one minute you're on a busy modern London Street, then you go through a door and are transported into another time and place."

CLARA, BRIDE

"Wilton's Music Hall, London, a venue which always takes my breath away with its faded beauty and old school style."

LOVEMYDRESS.NET

"If you haven't discovered the amazing Wilton's Music Hall then you're in for a treat...it's a truly unique venue with so much history and character, getting married there is like a theatre production."
